

src/training/inc/Config.h

```
graph TD; Config["src/training/inc/Config.h"] --> string["string"]; Config --> memory["memory"]; Config --> mutex["mutex"];
```

The diagram illustrates the dependencies of the file `src/training/inc/Config.h`. It is represented by a gray rectangular box at the top. Three blue arrows originate from the bottom of this box and point downwards to three separate white rectangular boxes. The leftmost box is labeled `string`, the middle box is labeled `memory`, and the rightmost box is labeled `mutex`. This indicates that `Config.h` depends on these three components.

string

memory

mutex
